Who are We?

The Vanderhoof Community Foundation is an independent, volunteer-driven, not for profit organization that brings together local people who care about their community.

It facilitates philanthropy, by partnering with donors to build permanent endowment funds that, through grants, will support community projects in perpetuity.

Only the income from the donations that are invested are granted so your donations will leave a lasting legacy.

Who do we Serve:

The Vanderhoof Community Foundation Endowment Fund supports initiatives within Regional District Bulkley Nechako, Area F (District of Vanderhoof, Rural Vanderhoof and Saik'uz First Nation).

Fund Management

Our volunteer and local Board of Directors contracts with the Prince George Community Foundation (registered charity) to invest your donations through highly skilled professionals ensuring the best returns and lowest risk options to ensure the long-term stability of our fund. Donations are eligible for tax receipts.

VANDERHOOF COMMUNITY FOUNDATION

Building Community Today, Tomorrow, Forever!

Why Donate?

Vanderhoof and area is home and you want to give back to your community for all it has provided you over the years.

You want to see this area grow, not just in size, but in programs and services that will attract new residents and ensure that those here choose to stay.

You want to support an organization that is home grown with little to no overhead, ensuring that your donation stays working in your community in perpetuity.

You want your children and grandchildren to be proud of the community you have helped build.

You want to honour a loved one to recognize them for all they have done for you and your community. You represent a business or organization that has benefited from our community and want to leave a legacy that will keep on giving even after you are gone.

How can you help?

Volunteering to help with fundraising and event planning by becoming a "Friend of the Foundation." Donating to help build our community by visiting our website at https://vhfcf.org

What about our Grants?

Each year we are able to support local organizations through our grant program focused on projects that will make Vanderhoof a better place to live, work and play.

Our grants support infrastructure projects within our area that provide arts and culture, education, health and social services, environmental concerns as well as sports and recreation infrastructure for all citizens. This helps create a lasting legacy to our community.

The amount available each year is dependent on the donations of individuals and families, and the interest income earned on these contributions. The more that is donated, the more we are able to grant to make improvements in our community!"
