- Under our constitution we are a not-for-profit society carrying on charitable purposes. However, we are not registered as a Charity for income tax purposes.
- The Vanderhoof Community Foundation is contracted with the Prince George Community Foundation to hold our Endowment Fund and Named Funds in trust and to administer our aggregate funds and to invest our aggregate funds into an investment portfolio under professional management.
- Donations to our Endowment Fund and Named Funds are made to the Prince George Community Foundation for the Vanderhoof Community Foundation – For the Specified Fund and are eligible for official charitable tax receipts which can be claimed by the donor on their tax return for the applicable tax reduction as allowed by the Income Tax Act of Canada.
- The Vanderhoof Community Foundation is operated by a volunteer Board of Directors. We carry out separate fund raising for internal operating costs and we have no paid staff. We also carry out fund raising activity for donations to our Endowment Funds.
- The granting of funds out of the Endowment Fund and the Named Funds is made only with the approval of the Board of Directors of the Vanderhoof Community Foundation.
- The Foundation is tax exempt under Section 149(1)(l) of the *Income Tax Act of Canada*.

Note 2: Initial Capital Donation to the Endowment Fund

- The start up of the Vanderhoof Community Foundation was made possible with the following major donations during the calendar years 2016 and 2017 from the following Government bodies or agency:

○ Northern Development Initiative Trust	<u>100,000</u>
Total	<u>200,000</u>

Note 3: Continued

- The Prince George Community Foundation charges an administration fee under a fair basis for their services and the amount is charged against the investment income in the Statements of Endowment Funds. The current fee rate (effective September 1, 2024) is 2.00% of the fund balance calculated and paid on a monthly basis. The fee rate in the prior year was 1.15%.

Note 4: Stability Reserve

- The Stability Reserve portion of the Endowment Fund and Named Funds is comprised of the investment earnings made on the donated capital. It is general policy to accumulate up to 10.5% of capital amount from year to year within the stability reserve and the excess annual earnings are then considered available to grant or for other purposes. However, the directors may draw from the stability reserve to carry out the Foundation's charitable purposes.

Note 5: Named Funds

- Named funds are created with an initial donation sum of \$1,000. The named fund must donate a minimum sum of \$10,000 within 5 years of the commencement of the fund agreement.
- Once the fund reaches \$10,000 of donations received, that fund then begins to participate in allocation of investment incomes, changes in unrealized gains or losses and is charged the administration fee as set out in Note 3.

Note 6: Valuation of Endowment Fund and Named Fund Assets

- The endowment fund assets are primarily invested in marketable securities. These assets are recorded on a fair market basis based on trading values at the end of each business trading day. The unrealized capital gains and losses are recognized in these financial statements as reported in the investment income within the Statements of Endowment Fund and Named Funds.

Note 7: Remuneration of Directors

- Remuneration paid to elected directors during the year ended August 31, 2025 and the prior year was \$nil.

Note 8: Recoverable Expense and Promissory Note

- The Vanderhoof Community Foundation is named as a sole beneficiary of a certain testamentary estate. Due to circumstances of the original named executor to the estate not taking responsible action to realize the estate for the sole purpose of the named beneficiary, our Board of Directors has engaged in legal action with the goal to achieve the interests of the beneficiary.
- Expense related to this action are considered as recoverable from the estate assets and are comprised of legal fees paid to date plus accrued interest on a promissory note.
- The promissory note, in the amount of \$5,000, is due on demand and is made to a director of the Foundation and interest is charged at the rate of 5% compounded annually at each anniversary date. The note is issued on the date of January 13, 2025.
